### Hear the Experts Talk about the EHR Incentive Programs

Register Now : National Provider Call on Medicare and Medicaid Electronic Health Record (EHR) Incentive Program Basics for Eligible Professionals (EPs)

Date: Thursday, July 14

Time : 1:30-3:00pm ET

Did you know that providers have received over \$190 million in Medicare and Medicaid EHR incentive payments? You may be eligible for a payment, too. Join CMS for an EP-focused national call on the Medicare and Medicaid EHR Incentive Program basics to learn more about the programs.

The call will cover the following topics:

- Are you eligible?
- How much are the incentives and how are they calculated?
- How do you get started?
- What are major milestones regarding participation and payment?
- How do you report on meeting meaningful use?
- Where can you find helpful resources?
- A question and answer session

Who is considered an EP?

- Doctors of Medicine or Osteopathy
- Doctors of Dental Surgery or Dental Medicine
- Doctors of Podiatric Medicine
- Doctors of Optometry

- Chiropractors
- Nurse Practitioners
- Certified Nurse Midwives
- Physician Assistants (PAs) who practice at an FQHC/RHC that is led by a PA

Note: Hospital-based EPs may not participate in the EHR Incentive Programs. An EP is considered hospital-based if 90 percent or more of the EP's services are performed in a hospital inpatient or emergency room setting. Medicaid EPs must meet patient volume criteria, providing services to those attributable to Medicaid or, in some cases, needy individuals.
