### **Take a Look at CMS' EHR Testimonial Videos from the 2012 HIMSS Annual Conference**

The Centers for Medicare & Medicaid Services (CMS) has posted a series of new videos to the [CMS YouTube channel](#) featuring health care professionals' experiences with electronic health records (EHRs) and the Medicare and Medicaid EHR Incentive Programs.

CMS spoke with ten conference attendees at the 2012 HIMSS Annual Conference this past February and filmed discussions with health care professionals who are participating in the EHR Incentive Programs. Provider testimonial videos, like [Dr. John Bender's EHR Story from the 2012 HIMSS Conference](#), highlight the experiences of providers and health care professionals with the EHR Incentive Programs and how they navigated the different steps of the programs.

CMS previously filmed testimonials of attendees at the American Osteopathic Association (AOA) Annual Medical Conference and Exposition and of the experiences of providers who have received their incentive payments for 2011.
