Date: April 06, 2018

Subject: Update: Agenda Available for CMS' 2018 MA & PDP Spring Conference & Webcast & MA and PDP Audit & Enforcement Conference & Webcast

The conference agenda for *CMS' Medicare Advantage & Prescription Drug Plan Spring Conference & Webcast* and *Medicare Advantage and Prescription Drug Plan Audit & Enforcement Conference and Webcast* is available for viewing and download at the [CTEO webpage](#).

These conferences will be hybrid events which will offer participants an option to attend in person or view the event via webcast. Also, if you are interested in attending in person, this is a friendly reminder that there are still a few seats available for both conferences. Please remember that attending in person is great way to meet and engage with CMS staff and other CMS partners.

Attention In-person Attendees: In order to comply with CMS' Security requirements, we made a few changes to our in-person registration process. Please remember to use your organizational email address when registering for the conference as we submit this information to CMS' Security team.

In-person Registration Only

- In-person registration closes ***Monday, April 23, 2018*** at 6pm EST (**Please note:** Registration may close early should we reach capacity.)

While registering for this event, please keep in mind the following:

- **Every participant attendee must register separately for this event.**
- **Your confirmation is unique to your registration.**
- **Please do not forward your confirmation to another individual.**
- **Please use the email address that is affiliated within your organization when you register rather than your personal email address.**

Also, for those participants attending in person, hotel and travel information is available on the CTEO website. If you are unable to attend in person, webcast registration will remain open.

Thank you again for registering and we look forward to your participation.
