**Subject:** Reliability Testing of New Quality Measures for the PACE Program

The Centers for Medicare and Medicaid Services (CMS) and its contractor, Econometrica, Inc., are testing potential quality measures for the PACE program. Testing will occur between April and May 2018. Econometrica personnel may contact you over the next several weeks to arrange testing and data collection. Any questions regarding the testing or recruitment process can be sent by email to [PACEAdmin@EconometricaInc.com](mailto:PACEAdmin@EconometricaInc.com).
