**Subject:** Update to the 2019 Draft Call Letter Part D Coordination of Benefits (COB) Section

The draft Call Letter dated February 1, 2018 omitted the proposed Part D Coordination of Benefits (COB) User Fee amount for 2019. The 2019 COB user fee will be collected at a monthly rate of \$0.1166 for the first 9 months of the coverage year for a total user fee of \$1.05 per enrollee per year. This would reflect no change in COB user fees from 2018 to 2019. Part D sponsors should account for this COB user fee when developing their 2019 bids.

Thank you.
