

Files included in RUG-III Version 5.20 FY2010 CMI Update Package:

- Files included in RUG-III Version 5.20 FY2010 CMI Update Package.pdf
The current file.
- FY2010 SNF PPS RUG-III Classification Case Mix Indices v1.pdf
This document gives the background for the FY2010 Case Mix Index (CMI) update effective October 1, 2009, the impact of the update on RUG-III classification, and guidance for handling the transition to the updated CMIs.
- cmi520_FY2010 v1.pdf
This document gives the updated SNF PPS CMI sets for FY2010 (effective October 1, 2009). The C05 CMI set is the new set for rural facilities and the C06 CMI set is the new set for urban facilities. It also presents the CMI sets currently in use until October 1, 2009 (C03 and C04).
- C03_CMI.sas, C04_CMI.sas, C05_CMI.sas, and C06_CMI.sas
These documents define the current (C03 and C04) and updated (C05 and C06) CMI sets in SAS code.
- Nursing Facility FY2010 SNF PPS CMI Test Data Documentation v1.pdf
This document describes the four nursing facility MDS 2.0 test data files that can be used to test the FY2010 CMI update.
- test520a_rural_fy2009.txt
Test data in MDS 2.0 submission format with the correct RUG-III classifications for rural facilities using the current (FY2009) rural CMI set (C03).
- test520a_rural_fy2010.txt
Test data in MDS 2.0 submission format with the correct RUG-III classifications for rural facilities using the updated (FY2010) rural CMI set (C05).
- test520a_urban_fy2009.txt
Test data in MDS 2.0 submission format with the correct RUG-III classifications for urban facilities using the current (FY2009) urban CMI set (C04).
- test520a_urban_fy2010.txt
Test data in MDS 2.0 submission format with the correct RUG-III classifications for urban facilities using the current (FY2010) urban CMI set (C06).
