*******UNAUTHORIZED ACCESS*****WARNING*******

Unauthorized access to this United States Government Computer System and software is prohibited by Title 18 United States Code, Section 1030, fraud and related activity in connection with computers.

*******COMPUTER USAGE*****WARNING*******

The Standards of Ethical Conduct for the Employees of the Executive Branch (5 CFR 2635.704) do not permit the use of government property, including computers, for other than authorized purposes.

*******SENSITIVE INFORMATION*****REMINDER*******

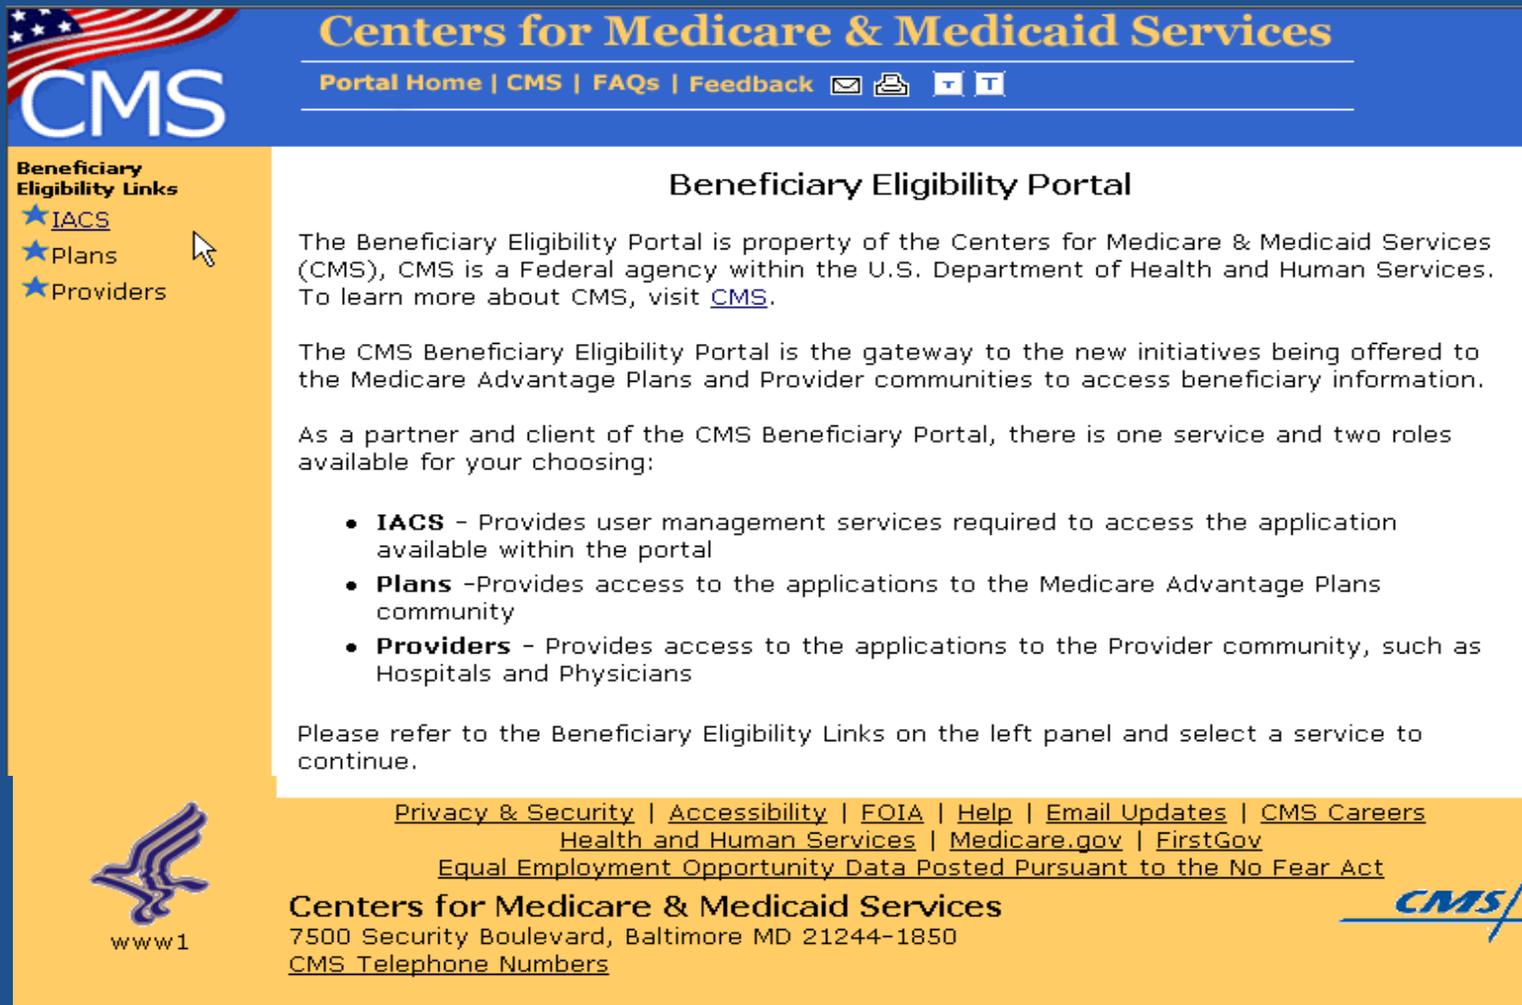

Do not file sensitive information (e.g., information concerning an individual) in electronic files in a way that allows unauthorized persons to access the information.

*******RETENTION OF RECORDS*****REMINDER*******

Documents that you create electronically, including electronic mail, may be governed by the Federal Records Act (Title 44 United States Code 3314) just as hard-copy records can be. Do not destroy electronic records that are subject to the Act excepts pursuant to an

CMS Eligibility Portal

The screenshot shows the CMS Eligibility Portal website. At the top, there is a blue header with the CMS logo on the left and the text "Centers for Medicare & Medicaid Services" in the center. Below the header, there is a navigation bar with links for "Portal Home", "CMS", "FAQs", and "Feedback", along with icons for email, print, and social media. On the left side, there is a yellow sidebar with the heading "Beneficiary Eligibility Links" and three links: "IACS", "Plans", and "Providers". The main content area is white and features the heading "Beneficiary Eligibility Portal". Below the heading, there is a paragraph of text, followed by another paragraph, and then a list of three bullet points. At the bottom of the main content area, there is a paragraph of text. The footer is yellow and contains several links, the CMS logo, and the text "Centers for Medicare & Medicaid Services" along with the address "7500 Security Boulevard, Baltimore MD 21244-1850" and a link for "CMS Telephone Numbers".

Beneficiary Eligibility Portal

The Beneficiary Eligibility Portal is property of the Centers for Medicare & Medicaid Services (CMS), CMS is a Federal agency within the U.S. Department of Health and Human Services. To learn more about CMS, visit [CMS](#).

The CMS Beneficiary Eligibility Portal is the gateway to the new initiatives being offered to the Medicare Advantage Plans and Provider communities to access beneficiary information.

As a partner and client of the CMS Beneficiary Portal, there is one service and two roles available for your choosing:

- IACS** - Provides user management services required to access the application available within the portal
- Plans** - Provides access to the applications to the Medicare Advantage Plans community
- Providers** - Provides access to the applications to the Provider community, such as Hospitals and Physicians

Please refer to the Beneficiary Eligibility Links on the left panel and select a service to continue.

IACS

Plans

Providers

The primary purpose of the Individuals Authorized Access to the CMS Computer Services (IACS) is to establish an Agency wide solution for user management services for a wide variety of users ranging from Medicare Beneficiaries to Medicare Advantage Plans.

The link below will launch the IACS application which will walk you through the process of gaining access to the applications offered within the CMS Beneficiary Eligibility Portal.

Summary

- Phased approach to convert all existing MBD GUI functionality over the Web.
- The MBD GUI will continue to be operational.
- The Eligibility Inquiry UI will continue to grow.
- The Unified Portal will be the gateway to access CMS's applications.
