**QUESTION TEXT**

As I mentioned earlier, this is [your/(SP's)] final interview with this study. We have learned much from [your/(SP's)] participation in the MCBS. Data from the study have already been used to inform Congress of the problems Medicare beneficiaries might face regarding their access to health care. [Your/(SP's)] participation in this study has given the United States government a much clearer picture of [your/(SP's)] health care needs and those of more than 42 million Medicare participants.

**QUESTION TEXT**

I thank you sincerely for all the time and effort that you have put into this study. You have made a very important contribution to the Medicare program and all of its beneficiaries by sharing [your/(SP's)] health care experiences with us. Even though [you/(SP)] will no longer be a participant in our survey, [your/(SP's)] health care needs will continue to be covered through the Medicare program. I'd like to express to [you/you and (SP)] appreciation on behalf of the Centers for Medicare and Medicaid Services. Both Westat and the Centers for Medicare and Medicaid Services wish [you/you and (SP)] the very best for the future.
