## OTHER PROGRAMMING INSTRUCTIONS

### BACKGROUND VARIABLE ASSIGNMENTS

The SP's status variable is MRES.SPALIVE. Because the interviewer needs additional help determining how to code MRES.SPALIVE when the SP is deceased, we have created a "temporary" variable, SPASTATUS, that includes a 4th option, DECEASED - DIED IN INSTITUTION. If the SP died in an institute, we consider the SP's status as "Alive and Institutionalized", not "Deceased". MRES.SPALIVE is coded based on the response to INS1 - SPASTATUS. There are some skip patterns in IN that are based on INS1 - SPASTATUS, however, the remaining instrument flow depends on MRES.SPALIVE. See variable assignment instructions below.

Variable Name	Assignment Instructions
SPALIVE	If INS1 - SPAISTATUS = 4/DeceasedInInstitute, set MRES.SPALIVE=2/AliveAndInstitute. Else set MRES.SPALIVE=SPAISTATUS.
SPALIVEB	Set MRES.SPALIVEB = INS1 - SPALIVE.

# INS2

Date

## **QUESTION TEXT**

What was the first date since (REFERENCE DATE) that (SP) entered the facility?

[EXPLAIN IF NECESSARY: By "facility" we mean a place that provides long term care. By "first date" we mean the earliest date that an SP enters any facility and does not enter a hospital or return home.]

IF MORE THAN ONE DATE, ENTER THE EARLIEST.

## **QUESTION TEXT**

As you know from all of the interviews that we have conducted, the Medicare Current Beneficiary Survey has been collecting data from over 100,000 beneficiaries since 1991. Data from the study have been extremely useful to many researchers who are looking at the availability and the cost of medical care for people such as [you/(SP)].

At this time, the survey is going to start interviewing some new beneficiaries and we will stop interviewing some of the people who have been with the survey for quite some time. [You are/(SP) is] one of the people that we will no longer interview.

Therefore, this will be the last interview that will be conducted [with you/for (SP)]. I will not collect any new health care visit information. However, I will ask a series of income and assets questions. This will be a shorter interview, different from most of the others conducted.
