Source: Medicare Current Beneficiary Survey

Note: Standard errors are shaded and in italics. See Appendix A for additional information on standard errors. See Appendix B for definitions of terms and variables.

- 1 Medicare beneficiaries with end-stage renal disease (ESRD) are included within the subgroups of "Aged" and "Disabled."
- 2 Race/ethnicity percentages do not add to 100 percent because the category "Other Race/Ethnicity" is not included as a category in the table, although it is included in the total.

Note: Standard errors are shaded and in italics. See Appendix A for additional information on standard errors. See Appendix B for definitions of terms and variables.

1 Medicare beneficiaries with end-stage renal disease (ESRD) are included within the subgroups of "Aged" and "Disabled."

2 Race/ethnicity percentages do not add to 100 percent because the category "Other Race/Ethnicity" is not included as a category in the table, although it is included in the total.

3 HMO stands for Health Maintenance Organization.

- 1 Beneficiaries who were administered a community interview answered health status and functioning questions themselves, unless they were unable to do so. A proxy, such as a nurse, always answered questions about the beneficiary's health status and functioning for long-term care facility interviews.
- 2 IADL stands for Instrumental Activity of Daily Living.
- 3 ADL stands for Activity of Daily Living.

Note: Standard errors are shaded and in italics. See Appendix A for additional information on standard errors. See Appendix B for definitions of terms and variables.

¹ Beneficiaries who were administered a community interview answered health status and functioning questions themselves, unless they were unable to do so. A proxy, such as a nurse, always answered questions about the beneficiary's health status and functioning for long-term care facility interviews.

Note: Standard errors are shaded and in italics. See Appendix A for additional information on standard errors. See Appendix B for definitions of terms and variables.

- 1 Beneficiaries who were administered a community interview answered health status and functioning questions themselves, unless they were unable to do so. A proxy, such as a nurse, always answered questions about the beneficiary's health status and functioning for long-term care facility interviews.
- 2 HMO stands for Health Maintenance Organization.
