¹Medicare enrollees in managed care plans are not included in the denominator used to calculate the utilization rates and average payments.

²Does not reflect beneficiaries who received covered services but for whom no program payments were reported during the reporting year.

³Includes United States and outlying areas.

⁴Includes 50 States and District of Columbia.

⁵Includes Puerto Rico, Virgin Islands, Guam, residence unknown, and all other outlying areas.

NOTES: Medicare program payments represent fee-for-service only and exclude amounts paid for managed care services. Total charges and visit charges are shown for trend purposes only. With the implementation of the home health agency prospective payment system, beginning October 1, 2000, program payments are now associated with episodes and not with individual visits. Numbers may not add to total because of rounding.
