<sup>1</sup>Reflects skilled nursing admissions with at least 1 day of covered care under Medicare.

<sup>2</sup>Medicare enrollees in managed care plans are not included in the denominator used to calculate utilization rates.

<sup>3</sup>The denominator used to calculate the average program payment per covered admission includes only those bills with Medicare reimbursement greater than zero.

<sup>4</sup>Includes 50 States, District of Columbia, and outlying areas.

<sup>5</sup>Includes Puerto Rico, Guam, Virgin Islands, residence unknown, and outlying areas not shown separately.

NOTES: HI is hospital insurance. Medicare program payments represent fee-for-service only and exclude amounts paid for managed care services. Numbers may not add to totals because of rounding. Swing-bed hospitals are not SNFs and are not included in the count of total SNFs; however, swing-bed hospital services are included in the total use and cost of Medicare SNF services.
