2006	100	28.3	17.0	2.0	9.2	71.7	7.8	63.8	0.1

¹The Omnibus Budget Reconciliation Act (OBRA) of 1981 raised the annual SMI deductible amount from \$60 to \$75 effective January 1, 1982. OBRA 1990 raised the deductible to \$100 effective January 1, 1991.

²In previous editions of the Statistical Supplement, the cost-sharing liability amounts for SMI were understated. Estimates of cost-sharing liability beginning in 1999 are significantly higher than those reported for prior years because of improvements in the methodology used to calculate Part B cost sharing. The amounts shown for SMI deductible and coinsurance for calendar years 1991-1998 are actuarial estimates and represent revisions. Data for years prior to 1991 are not available.

³Balance billing on unassigned claims is the difference between the charge submitted by the physician and the charge allowed by Medicare; the beneficiary is liable for this difference, in addition to the 20 percent coinsurance set by law. The Medicare Physician Payment Reform Act established a limit that a physician can charge Medicare beneficiaries on unassigned claims; in 2004 a physician could not charge more than 115 percent of the amount listed in the Medicare Physician Fee Schedule for non-participating physicians.

⁴Under the Medicare Catastrophic Coverage Act (MCCA) of 1988, Medicare coverage for inpatient hospital care for calendar year 1989 was extended to an unlimited number of days, and beneficiaries paid only one hospital deductible and no inpatient hospital coinsurance. Skilled nursing facility (SNF) care under MCCA paid for 150 SNF covered days of care for calendar year 1989 at 100 percent of covered charges, except for \$25.50 a day coinsurance for days 1-8 of the SNF stay. The MCCA cost-sharing changes for Part B coverage were not scheduled to be implemented until January 1, 1990. However, the MCCA was repealed effective January 1, 1990.

⁵Data for 2001 were estimated using other sources that involve estimation algorithms and should be used with caution with data for other years.

⁶Beginning 1994, managed care enrollees are excluded when calculating the average cost-sharing liability per enrollee.

NOTES: Medicare cost-sharing liability represent cost sharing for fee-for-service care only. Numbers may not add to total because of rounding.

SOURCES: Centers for Medicare & Medicaid Services, Office of Information Services: Data from the Medicare Data Extract System; Office of the Actuary; data development by the Office of Research, Development, and Information.
