\* Counts between 1 and 10 have been suppressed because of CMS rules to protect the privacy of beneficiaries.

† Counts have been cross-suppressed to prevent the recalculation of suppressed counts between 1 and 10.

<sup>1</sup> Includes certain groups of Medicare beneficiaries who are automatically deemed eligible for the low-income subsidy and do not have to apply. The following groups are deemed eligible: Full-benefit dual eligibles, that is, persons eligible for both Medicare and full Medicaid benefits; Supplemental Security Income (SSI) recipients, including SSI recipients who do not qualify for Medicaid, and individuals deemed to be SSI recipients; and Medicare beneficiaries who are participants in the Medicare Savings Programs (MSP).

<sup>2</sup> Counts may include beneficiaries with other prescription drug coverage, including creditable coverage.

NOTE: Enrollee counts are determined using a person-year methodology that accounts for the number of months a beneficiary is enrolled in the calendar year.
