Virgin Islands	203	198	217	231	224
All Other	1,238	1,293	1,301	1,339	1,381

NOTES: Includes the number of both participating and non-participating Part B non-institutional providers utilized by Medicare fee-for-service beneficiaries as reflected on the Part B claims. Data presented in this table may differ from counts presented in other tables because of differences in sources and methodology. Physicians, non-physician practitioners, limited licensed practitioners, and other provider/suppliers may be counted in more than a single state.
