¹ Less than 500.

NOTES: Persons served represents persons receiving a reimbursed service under fee-for-service at any time during the year. The denominator used to calculate the rate served per 1,000 enrollees is the July 1, 2000 HI and/or SMI fee-for-service population. The rates may exceed 1,000 for a variety of reasons, including areas with rapidly changing fee-for-service/managed care distributions.
