**Commercial Repayment Center Contractor Transition
Webinar for Group Health Plans on
Wednesday, January 17, 2018**

Effective February 8, 2018, a new contractor will assume responsibility of the Commercial Repayment Center (CRC) functions. This includes recoveries where another entity has or had primary payment responsibility under a Group Health Plan (GHP) arrangement.

CMS will be hosting a webinar to introduce the new CRC Contractor. For this webinar, the format will be opening remarks and a presentation by CMS, followed by a question and answer session with the audience.
